

AMENDMENTS TO THE SPECIFICATION

Please replace Paragraph **[0052]** with the following paragraph rewritten in amendment format:

[0052] The suture eyelet section further includes a third suture eyelet 130 and a fourth suture eyelet 132. The third suture eyelet 130 and the fourth suture eyelet 132 are also interconnected by a suture passage 134. A first suture passage portion 134a interconnects the first suture eyelet 130 and a second suture passage portion 134b. Extending from the second suture passage portion ~~134b~~ 134b is a third suture eyelet passage portion 134c. A suture may be passed from the third suture eyelet 130 to the fourth suture eyelet 132 through the second suture passage 134.
